How to mark absentees

1. Open: `carnival.up.railway.app/teacher`
2. Log in with the **teacher password**.
3. Tap the **Absentees** tab.
4. Expand **your class**, tick absent students.
5. Tap **Mark ticked ABSENT**.

WHY THIS MATTERS

Absent students still have tokens in the system. If you don't mark them absent, someone could spend their tokens at a booth.
